Session: Welcome to Office
Presenter: Milena Semere, TSA State Reporter
            Anjoulie Alhaj, TSA Western Region Vice-President
            Owen Rushin, TSA Eastern Region President
Room: Boomer A (150 seats)
Description: Congratulations! You’ve just been elected into an office. Whether that be a chapter position, regional, state, or national, you’ve just gained an enormous responsibility. We’d like to welcome you to office and assist you in becoming a stronger leader and an invaluable member of your officer team.

Session: Your Future is Cleared for Take Off!
Presenter: Jenny Sewell, Human Resources Specialist, Federal Aviation Association
            Greg Morgan, Federal Aviation Association (FAA)
Room: Boomer B (150 seats)
Description: This workshop will provide the audience with an introduction to various aspects of science, technology, engineering, and mathematics related work activities and learning technologies in FAA.

Session: OKC Innovations
Presenter: Katy Boren; President/CEO, OKC Innovations
Room: Sooner A (150 seats)
Description: Katy Boren spearheads the creation and development of emerging district and is focused on creating a vibrant, fully integrated community where people can live, work, and play. Her goal is to develop collaboration between Oklahoma’s diverse sectors – health, energy, aerospace, tech, art and others – to foster new opportunities for entrepreneurship and innovation.

Session: IT Career Pathways
Presenter: Will Edds, Technical Expert, Hitachi Vantara
Room: Sooner B (150 seats)
Description: If you’re looking to get a better handle on what information technology is and the many facets of this field, this is the workshop for you. Come learn from an IT industry pro what development paths and strategies are available to prepare you for entering the industry.

10:30 a.m. – 11:15 a.m. Breakout Sessions 2

Session: Looking for a Six Figure Career?
Presenter: Ryan Goertzen, AARCORP
Room: Ballroom AB (300 seats)
Description: The aviation industry is booming and the need for men and women to choose an aerospace career has never been more lucrative. The Boeing Company estimates two million aviation jobs are needed in the next twenty years. This session will introduce AAR’s Eagle Career Pathway Program and the amazing career opportunities that exist at AAR, the largest maintenance repair and overhaul organization in North America!

Session: Phillips 66
Presenter: Jennifer Leist and Brent Loney, Phillips 66
Room: Ballroom CD (300 seats)
Description: Phillips 66 is an energy manufacturing and logistics company. Their vision is to provide energy and improve lives by hiring the next generation of employees who want to be leaders in the energy industry. This session will give information about this career pathway.
**Session:** Leadership Viewpoint  
**Presenter:** Erica Prosser, Director of Training Services, TEAMTRI  
**Room:** Oklahoma Ballroom (1500 seats)  
**Description:** Leaders need to know themselves to lead themselves – so get to know you and the people around you! Take an interactive look at your leadership style. This hands-on, interpretation of your leadership style will help you understand how you can best use your leadership style to effect positive change and leadership in TSA.

**Session:** The Secret to Success: Why You Should Love LEAP!  
**Presenter:** Sean Kuehn, TSA State President  
**Jackie Medina, TSA Eastern Region Vice-President**  
**Room:** Ballroom GH (300 seats)  
**Description:** Have you ever wondered what you could do to improve your event? Do you still have questions about LEAP and how it relates to your event? In this session we’ll take an in depth look at LEAP and how it can push your event to 1st place!

**Session:** Exploring the Awards and Recognition of OKTSA  
**Presenter:** Breonna Fisher, TSA State Sergeant-At-Arms  
**Austin Vinall, TSA Western Region Treasurer**  
**Room:** Ballroom I (150 seats)  
**Description:** Do you want to know how you can receive the highest achievement in TSA? Do you want to explore all the ways you can get scholarships for college? If so come to our session and discover all the awards that are available to you!

**Session:** Vex IQ  
**Presenter:** Emily Harris, Gateway Teacher, Stillwater Middle School  
**Room:** Ballroom J (150 seats)  
**Description:** The Vex Robotics Competition provides students with the opportunity to learn about STEM through robotics in a hands-on competition. This session will give information about the rules and regulations of the new 2019-2020 Vex IQ “Squared Away” game.

**Session:** Up the Ladder: Working Your Way Up to Higher Leadership  
**Presenter:** Alexander Loney, TSA Vice-President  
**Alyssa Miller, TSA Western Sergeant-At-Arms**  
**Madelyn Morales, TSA Eastern Reporter**  
**Room:** Boomer A (150 seats)  
**Description:** Already a chapter officer? Looking for more opportunities? Eager to serve OKTSA? Climb up the ladder and learn how to become a regional or state officer! See the possibilities and explore the process of obtaining a higher position. Know the importance of leadership and how to campaign. Fully understand the process of running and its benefits. Learn all this and more. So are you ready to go up?

**Session:** Your Future is Cleared for Take Off!  
**Presenter:** Jenny Sewell, Human Resources Specialist, Federal Aviation Association  
**Greg Morgan, Federal Aviation Association (FAA)**  
**Room:** Boomer B (150 seats)  
**Description:** This workshop will provide the audience with an introduction to various aspects of science, technology, engineering, and mathematics related work activities and learning technologies in FAA.

**Session:** OKC Innovations  
**Presenter:** Katy Boren; President/CEO, OKC Innovations  
**Room:** Sooner A (150 seats)  
**Description:** Katy Boren spearheads the creation and development of emerging district and is focused on creating a vibrant, fully integrated community where people can live, work, and play. Her goal is to develop
collaboration between Oklahoma’s diverse sectors – health, energy, aerospace, tech, art and others – to foster new opportunities for entrepreneurship and innovation.

Session: Famous Brother in Aviation  
Presenter: Ben T. Robinson, Retired Brig General  
Presenter Bio: TBD  
Room: Sooner B (150 seats)  
Description: Ben Robinson is the Oklahoma Secretary of Military and Veteran Affairs. Prior to his current position, Ben was a Boeing Executive and Director of Boeing Aerospace Operations in Oklahoma City. He also has nearly 34 years of active duty service in both the U.S. Air Force and the U.S. Army. He will use his vast life experiences to discuss career opportunities and how to build a pathway to get there.

11:15 a.m. – 12:45 p.m. Lunch on your own

1:00 p.m. – 1:45 p.m. Breakout Sessions 3

Session: TSA Drones MS Event  
Presenter: Luke Bell  
Room: Ballroom AB (300 seats)  
Description: Drone Technology (MS) is an exciting drone competition combining real-world applications of drones, coding, problem solving, strategy, and teamwork. Teams of 1-2 members are challenged to research, program, and pilot drones through a series of autonomous and manual flight missions. The 2019-2020 Theme and Autonomous Missions will be revealed.

Session: Phillips 66  
Presenter: Jennifer Leist and Brent Loney, Phillips 66  
Room: Ballroom CD (300 seats)  
Description: Phillips 66 is an energy manufacturing and logistics company. Their vision is to provide energy and improve lives by hiring the next generation of employees who want to be leaders in the energy industry. This session will give information about this career pathway.

Session: 3-2-1 POW  
Presenter: Erica Prosser, Director of Training Services, TEAMTRI  
Room: Oklahoma Ballroom (1500 seats)  
Description: A program of work is simply a strategic plan or business plan, but designed for local TSA chapters to use in planning their year. Participants will create a Program of Work during this session, outlining goals, objectives, action items to achieve goals and which team members will carry out the action items. Come discover how the best chapters take flight to organize and strategize and build a year of great opportunities for members!

Session: The Secret to Success: Why You Should Love LEAP!  
Presenter: Sean Kuehn, TSA State President  
Jackie Medina, TSA Eastern Region Vice-President  
Room: Ballroom GH (300 seats)  
Description: Have you ever wondered what you could do to improve your event? Do you still have questions about LEAP and how it relates to your event? In this session we’ll take an in depth look at LEAP and how it can push your event to 1st place!

Session: Fundraise Smarter not Harder  
Presenter: Jake Strother, TSA State Secretary  
Eva Wymer, TSA Western Region  
Michelle Lang, TSA Eastern Region  
Room: Ballroom I (150 seats)  
Description: In this session, you will learn some tips and tricks on fundraising for your chapter and ACS.
**Session: Avoiding Disqualification – It’s All in the Details**

**Presenter:** Susan James, Edmond Santa Fe Chapter Advisor

**Room:** Ballroom J (150 seats)

**Description:** You’ve worked many hours in preparation for your events for TSA. Your entry has consistently made the top three at several mini-conferences. However, you did not even make the Top Ten at state or, maybe even nationals. In fact, it looks like your entry was disqualified! What happened? We’ll talk about some of the most common occurrences that result in disqualification of a TSA entry and how to avoid them. It truly is all about the details.

**Session: Becoming Parliamentary Pros!**

**Presenter:** Jamil Matin, TSA State Treasurer, 2019 Chapter Team National 1st Place Winner  
Molly Andrews, Eastern Region Treasurer, 2019 Chapter Team National 1st Place Winner  
Michael Dong, Western Region President

**Room:** Boomer A (150)

**Description:** When you attend business meetings at state and national conferences, you may wonder what the heck is going on. In this session, you will learn what all the lingo means from making motions to amendments and other procedures. Becoming knowledgeable in Parliamentary procedures will help you to learn the basics so you can understand these meetings and also know how to submit your own changes for TSA.

**Session: Your Future is Cleared for Take Off!**

**Presenter:** Jenny Sewell, Human Resources Specialist, Federal Aviation Association  
Greg Morgan, Federal Aviation Association (FAA)

**Room:** Boomer B (150 seats)

**Description:** This workshop will provide the audience with an introduction to various aspects of science, technology, engineering, and mathematics related work activities and learning technologies in FAA.

**Session: TEAMS Challenge**

**Presenter:** Nacoe Thomas, STEM Program Specialist

**Room:** Sooner A

**Description:** TEAMS is a one-day competition for middle school and high school students that allows them to apply their knowledge of skills in STEM to global issues. This competition requires critical job readiness skills such as teamwork, analytical thinking, and multi-dimensional problem solving. Teams of 4 to 8 students work together on 3 components: an essay, a multiple choice test and a mystery design and build task. Come and learn all about these tasks and this year’s theme.

**Session: Using OkCareerGuide.org**

**Presenter:** AJ Crowell, Career and Guidance Program Specialist, ODCTE

**Room:** Sooner B (150 seats)

**Description:** This session will cover how to use OkCareerGuide.org to help students with their Individual Career Academic Plan (ICAP). Specific topics will include access, exploring occupations, create plans of study, interest survey, résumés, storing documents, and how to request administrative access to the system.

2:00-2:45 p.m. Closing Session/Keynote Speaker
